

# Login with Admin Access

## 1. Login Page

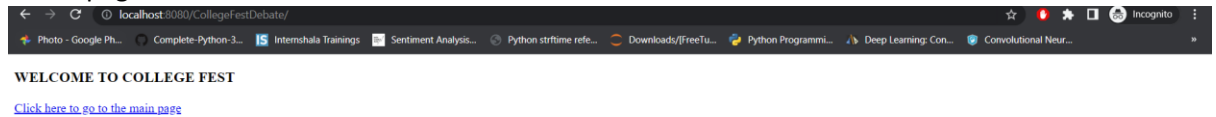

A screenshot of a login page with a light gray background. In the center, there is a white box containing the text "Please sign in" in bold. Below this text are two input fields: the first is labeled "Username" and the second is labeled "Password". Below the input fields is a blue button with the text "Sign in" in white.

## 2. Admin access

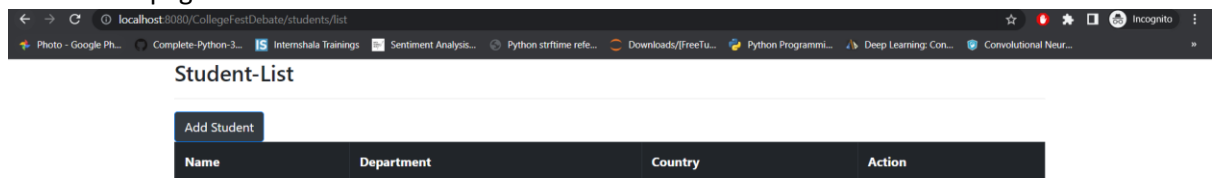

A screenshot of the same login page as above, but with the "admin" username entered in the "Username" field and "\*\*\*\*\*" entered in the "Password" field. The "Sign in" button remains blue with white text.

### 3. Home page

### 4. Student list page as no student added

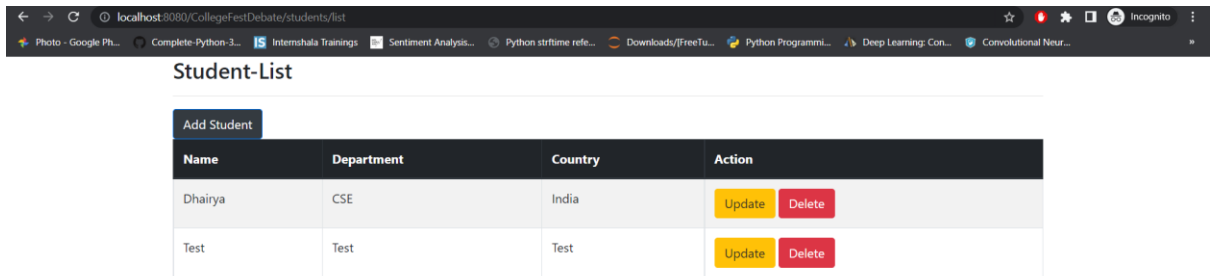

### 5. Add student

#### Debate for College Fest

## 8. Updated student details highlighted

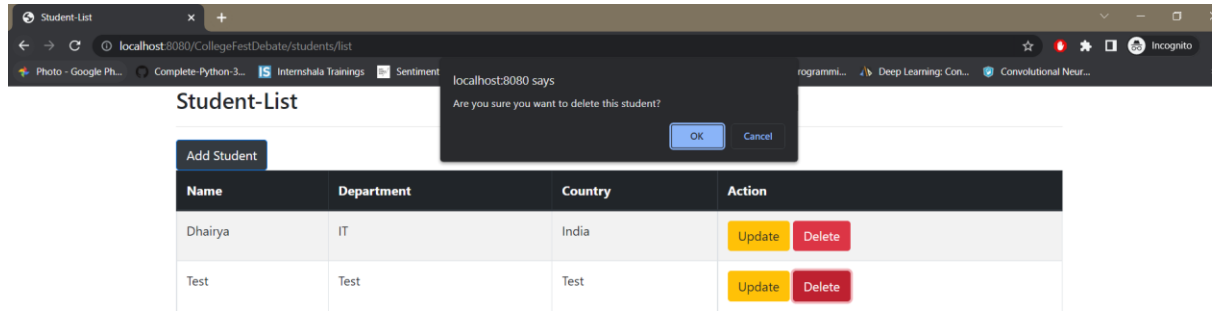

Student-List

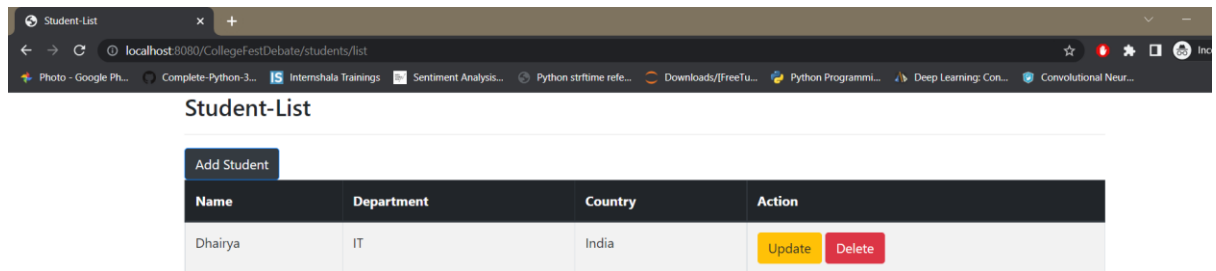

Add Student

Name	Department	Country	Action
Dhairya	IT	India	<button>Update</button> <button>Delete</button>
Test	Test	Test	<button>Update</button> <button>Delete</button>

## 9. Deleting a student

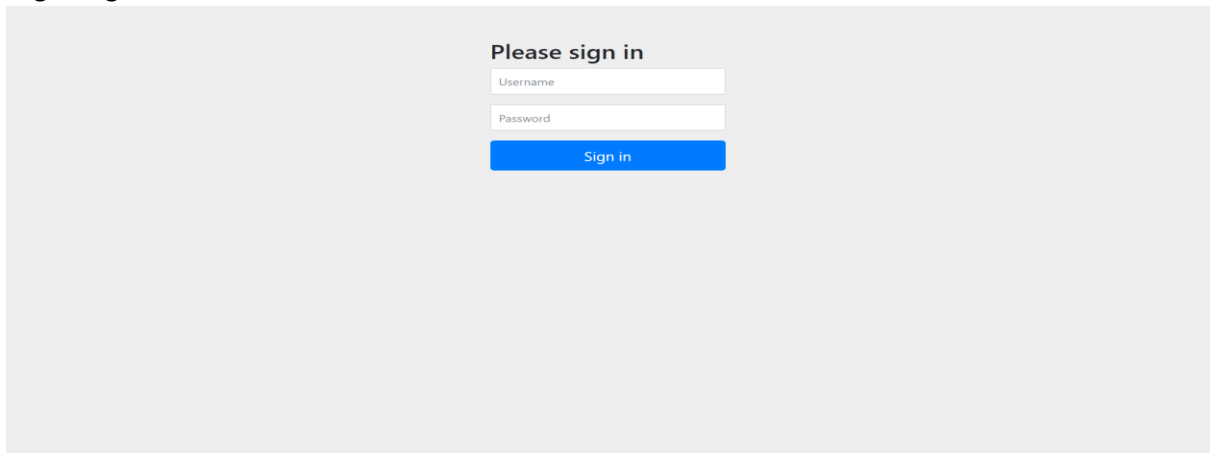

## 10. After deletion

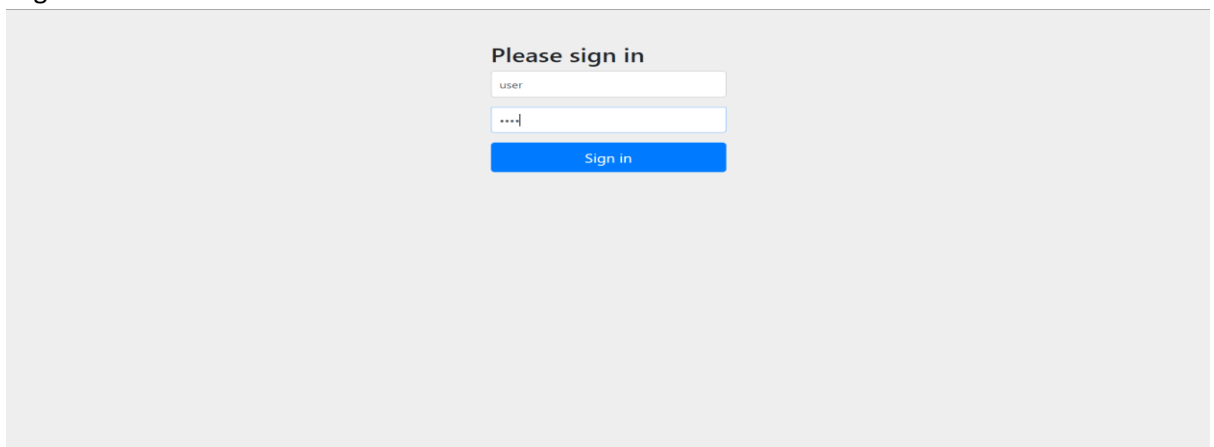

# Login with User Access

## 1. Login Page

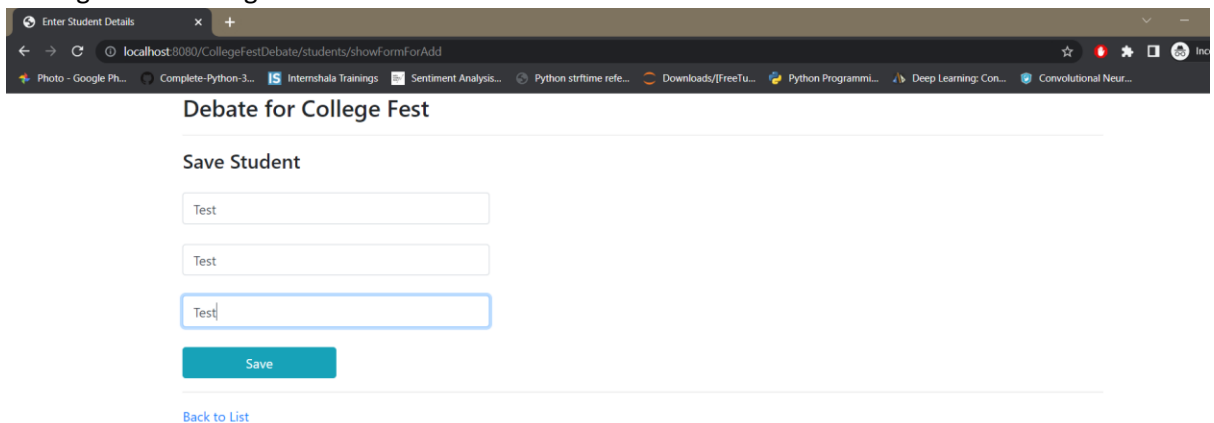

A screenshot of a login page with a light gray background. In the center, there is a white box containing the text "Please sign in" in bold. Below this text are two input fields: "Username" and "Password". At the bottom of the box is a blue button with the text "Sign in" in white.

## 2. Login with user access

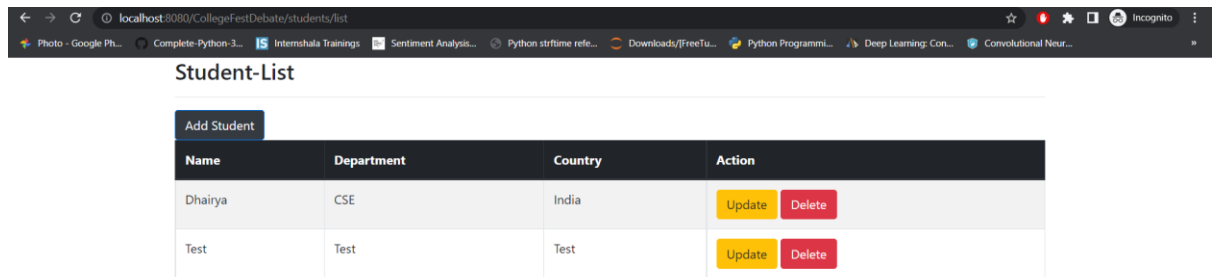

A screenshot of the same login page as in step 1, but with the "user" text entered in the "Username" field and "...." entered in the "Password" field. The "Sign in" button remains blue with white text.

## 3. Adding student using user access

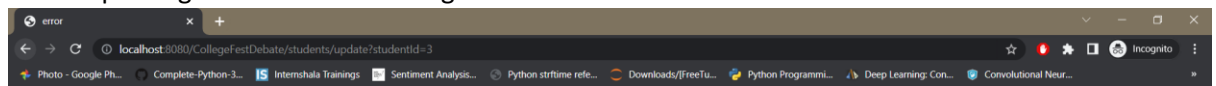

A screenshot of a web browser showing a form titled "Debate for College Fest". The browser's address bar shows "localhost:8080/CollegeFestDebate/students/showFormForAdd". The form has a section titled "Save Student" with three input fields, each containing the text "Test". Below the input fields is a blue button with the text "Save". At the bottom of the form is a link that says "Back to List".
